**Having grown rapidly, Vinetech have had to meet customer demands and are now proud to be on board with Deutz-Fahr Tractors.**

Vinetech have till now had all areas covered, so becoming a Deutz-Fahr Tractor Dealer was just a natural progression.

At Vinetech we are constantly developing new machinery for the agricultural industry, and have many new ideas and approaches to existing practices, which has been well received and supported by our large customer base.

Vinetech Pride ourselves on Quality of Work, professional advice, quick turnaround times, and professional staff, backed up by a huge range of parts in stock. If we don't have it we can get it.

**Having recently completed our showroom, The Barossa Valley now truly has a One Stop Shop.**

Vinetech can offer Gregoire Grape Harvester Genuine Parts and Service, Pastro Custom Ag Sprayers and general Vineyard Machinery Sales, Repairs and Maintenance on and off site, Tractor, Forklift and Passenger Vehicle scheduled servicing, custom in-house Engineering and design, Machining and much more.

Vinetech are by far the Barossa's biggest Hydraulic experts, stocking a massive range of Hydraulic Hose and fittings, and have trained Technicians in well equipped vehicles able to carry out on site Hydraulic Diagnosis and repairs.

We also carry a large range of Bearings, Steel, Aluminium, Stainless Steel, Hi-Tech Oil and Lubricants, Tools, All types of Fasteners, Paint, Filtration Products, ARAG spray control equipment and much more....

2010 WE GAVE YOU

# 10 REASONS

TODAY OVER 3000 UNITS SOLD AND GROWING...

## REASON 1 ENGINES

Quite simply Deutz engines are built to be the best, by the best.

## REASON 6 QUALITY

It might be a cliché, but German quality really is second to none.

## REASON 2 SERVICE

With a Deutz-Fahr tractor purchase you are not only investing in 150 years of manufacturing excellence, you are also getting the benefit of service and support.

## REASON 7 RANGE

With models ranging from 50-350hp, there is a Deutz-Fahr tractor available for just about every application.

## REASON 3 RELIABILITY

It's what the owners and operators think about their Deutz-Fahr tractor that really tells the story. Surely, over 36,000 new and repeat customers every year can't be wrong.

## REASON 8 FINANCE

In today's marketplace, the modern agribusiness needs a competitive edge to stay ahead of the rest. To achieve this, the majority of operators are using tailored finance.

## REASON 4 HERITAGE

Since the late 1800's the DEUTZ-FAHR GROUP has become one of the world's leading manufacturers of tractors, combine harvesters, engines and agricultural machinery.

## REASON 9 VALUE

It may be possible to buy cheaper, but when all the factors are weighed together a Deutz-Fahr tractor is unbeatable.

## REASON 5 INNOVATION

Deutz-Fahr is now the fastest growing major tractor brand in Europe – for very good reason.

## REASON 10 PFG AUSTRALIA & DEALER NETWORK

Even the very best machine needs to be properly supported in the market. Vinetech Machinery proudly stands behind the Deutz-Fahr brand.
